

January 15, 2004

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**CONTRACT FOR JANITORIAL SERVICES AT PUBLIC BUILDINGS IN
MARINA DEL REY AND REDONDO BEACH
(FOURTH DISTRICT)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that janitorial services for Department-operated public buildings in Marina del Rey and Redondo Beach can be performed more economically by Grace Building Maintenance Company, Inc. (Grace) than by County employees.
2. Approve award of a three-year contract, plus two optional one-year extension periods, with Grace for janitorial services at public buildings in Marina del Rey and Redondo Beach for an annual cost of \$99,802 with authorized additional services to be provided at the rate of \$15.80 worked per hour, and instruct the Chairman to sign the contract.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the contract with Grace will enable the Department to continue to maintain its offices in Marina del Rey and its warehouse in Redondo Beach in a safe and clean condition at less cost than would be incurred using County employees. The contract additionally calls for cleaning and restocking of the public restrooms in Chace Park and the Visitor Center in Marina del Rey not less than four times a day in the summer and

on holidays and weekends and twice a day on winter weekdays. Good maintenance ensures visitors' enjoyment of this heavily-used park and effectively sets a standard for upkeep of the privately-maintained and operated leaseholds in Marina del Rey that are expected to generate approximately \$28 million in County revenue during fiscal year 2003-2004.

These services at Department-operated buildings were formally performed by County employees but have been contracted out for many years. Approval of this contract will enable the Department to continue using the services of private contractors.

Implementation of Strategic Plan Goals

The janitorial services provided by Grace will promote and further the Board-approved Strategic Plan Goals of Service Excellence, meeting the Departmental objective to facilitate enhanced use of County facilities, and Fiscal Responsibility, strengthening the County's fiscal capacity by contracting for these services at a reduced cost rather than utilizing County employees.

FISCAL IMPACT/FINANCING

Taking into consideration the contractor's annual price of \$99,802, the Department has verified annual savings of approximately \$19,128 from using the contractor's services rather than those of County staff. This cost comparison is detailed in Attachment 1. The contract also provides for additional services at the rate of \$15.80 per employee-hour in case of public events and other unscheduled cleaning tasks. In the event such additional costs are incurred, the Director may, by written notice to the contractor, increase the maximum annual compensation by up to 20 percent (\$19,780) in any contract year or optional extension period. (The contractor's hourly rate for such additional services is also less than the hourly rate for County employees.) Should restrooms be closed or the service area decreased, compensation will be reduced based on the quoted per-facility fees. The contract allows no increase in the contractor's rate of compensation.

The cost of this contract is included in the Department's 2003-2004 budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The contract term is three years, with two one-year extension options, that may be exercised at the discretion of the Director. The contract services will commence on February 6, 2004, or the date of approval by your Board, if later.

The contractor's compensation will be based on (1) the number of facilities cleaned as defined in the contract; (2) the rates quoted by the contractor; and (3) the cleaning schedule set forth in the contract. The contractor is to provide all cleaning and paper supplies.

No layoffs or reductions in County workforce or other adverse impacts on employee relations will result from the award, as the work is presently contracted out. In addition, the contract award fully complies with the mandatory Proposition A requirements contained in County Code Section 2.121.380 for the following reasons:

- Award of the contract is cost-effective (see Attachment 1).
- Award of the contract will not impair the County's ability to respond to emergencies.
- No confidential information is involved in the performance of the contract. Award of the contract will not result in the unauthorized disclosure of confidential information.
- Alternative services are available in the event of a default by the contractor; therefore, services will not be interrupted.
- Award of the contract will not infringe upon the proper role of the County in its relationship to its citizens.

The contract also contains the County's standard provisions regarding contractor obligations and is in compliance with all Board, Chief Administrative Office (CAO) and County Counsel requirements.

The Department has evaluated and determined that the contractor fully complies with the requirements of the Living Wage Program (County Code Chapter 2.201) and has agreed to pay all employees providing these County services a living wage.

The contract has been approved as to form by County Counsel. The CAO's Risk Management Office has approved the insurance coverage, indemnification, and liability provisions included in the contract.

CONTRACTING PROCESS

This Proposition A contract solicitation was advertised in the Argonaut, the Daily Breeze, the Eastside Sun, the Los Angeles Daily News, the Los Angeles Sentinel, the Los Angeles Times, and the Santa Monica Observer. The opportunity was also advertised on the County's Bid web page (Attachment 2), as well as the Department's own Internet site. In addition, notices were sent out by direct mail to a list of 283 janitorial vendors (Attachment 3).

Nine firms submitted proposals. All nine met the RFP's minimum requirements and were evaluated by a three-person evaluation panel composed of two staff members from the Department's Facilities and Property Maintenance Division and a staff member from the Department's Internal Control Audit Section. The proposals were evaluated on: (1) annual price, 50 percent; (2) approach to contract requirements, 20 percent; (3) experience and organizational resources, 20 percent; and (4) references, 10 percent.

Attachment 4 details the minority and gender composition of the qualifying firms. However, on final consideration of award, Grace was selected without regard to gender, race, creed or color.

One proposer, Maxim Building Care (Maxim), had a lower annual cost (\$92,193.02) than Grace. However, the evaluation committee rated Maxim's "approach to contract requirements," "experience and organizational resources" and "references" as weak. Also, its "work plan," "quality control plan," "financial summary," and "organizational resources" rated at or near the bottom of all of the proposals.

Of the other eight proposals, Grace was determined to be the most responsible, responsive proposer. Grace has 20 years of experience, providing janitorial services for both the public and private sectors. In addition, its annual compensation was the lowest of the other proposers. In this regard, Grace is a certified Local Small Business Enterprise consistent with Section 2.204 of the Los Angeles County Code, and therefore was awarded a five percent preference in the proposal price.

The Honorable Board of Supervisors
January 15, 2004
Page 5

The evaluation criteria for the Living Wage Ordinance Implementation Plan requires Departments to refer any reported labor or payroll violations by the highest-rated proposer to the Labor Law/Payroll Violations Assessment Team established by your Board. Accordingly, the evaluation panel sent the required information to the Assessment Team for investigation. Grace was found to have one unreported violation and two complaints that are scheduled for conference in March 2004, which the Assessment Team found sufficient to justify a deduction of one percent from Grace's final evaluated score. The Assessment Team otherwise determined that based on the number of staff employed by Grace, the number of violations appears insignificant and that the reported labor law violations do not appear to show a pattern to intentionally violate State labor laws.

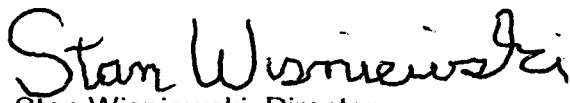

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This contract will continue the janitorial services currently being provided to the Department.

CONCLUSION

Instruct the Executive Officer to send two executed copies of the contract to the Department of Beaches and Harbors.

Respectfully submitted,

Stan Wisniewski, Director

2.7.6 Disposition of Supplies on Termination of Contract. Stocks of paper, supplies, hand soap, etc., remaining in the facilities at Contract termination shall not be removed.

2.8 QUALITY ASSURANCE

2.8.1 Purpose of Standards. The Contractor will observe, at a minimum, the standards set forth in this Section 2.8, and acknowledges that the adequacy of its compliance with the Contract shall be measured by these standards as well as all other terms and conditions of the Contract.

2.8.2 Performance Evaluation. The County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all Contract terms and performance standards. Contractor's deficiencies which the County determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Contract or impose other penalties as specified in this Contract.

2.8.3 Contractor's Quality Control Plan. The Contractor shall comply with Contractor's quality control plan set forth in Contractor's Work Plan (Form P-2), which shall be incorporated in the Contract by reference. To the extent that provisions of Contractor's quality control plan are inconsistent with any other part of the Contract, they shall be ineffective. The Contractor shall not change the quality control plan without written approval of the Director or his designee.

2.8.4 County's Quality Assurance Plan

2.8.4.1 The methods and standards by which Contractor's performance shall be evaluated include, but are not limited to, those described in

the Performance Requirements Summary (Exhibit 4).

2.8.4.2 Contractor's compliance with the Performance Requirements identified in Exhibit 4 shall be evaluated annually as provided in Section 2.8.2.

2.8.4.3 The Contractor agrees to and accepts the provisions of the Performance Requirement Summary Chart, including, but not limited to, the sums set forth as liquidated damages for unacceptable performance.

2.8.4.4 Failure to perform the Contract in accordance with the Performance Requirements is considered unacceptable. The CA may issue a Deficiency Report (DR) to the Contractor in any incident of failure to comply with the Performance Requirements or other unacceptable performance. In the case of continuing deficiencies, the CA may issue a separate DR each day the deficiency continues.

2.8.4.5 The Contractor shall immediately correct unacceptable performance and shall explain in writing within seven days of the date of the DR what caused the unacceptable performance, how and when performance will be returned to acceptable levels, and how the unacceptable performance will be prevented in the future. After considering the incident, the Contractor's statement and any history of unacceptable performance, the Director may excuse the incident, assess and collect liquidated damages in the manner and amount described in Exhibit 4 or proceed with Contract termination as provided in Section 3.16.

2.8.5 Liquidated Damages.

2.8.5.1 In any case of the Contractor's failure to meet the performance requirements stated in Exhibit 4, the County may, in lieu of other remedies provided by law or the Contract, assess liquidated damages in the sums specified in Exhibit 4 and deduct them from the next regularly scheduled payment to the Contractor. However, neither the provision of a sum of liquidated damages for nonperformance or inadequate performance nor the County's acceptance of liquidated damages shall be construed to waive the County's right to reimbursement for damage to its property or indemnity against third-party claims.

2.8.5.2 The amounts of liquidated damages have been set in recognition of the following circumstances existing at the time of the formation of the Contract:

- All the time limits and acts required to be done by both parties are of the essence of the Contract;
- The parties are both experienced in performance of the Contract work;
- The Contract contains a reasonable statement of the work to be performed in order that the expectation of the parties to the Contract are realized. The expectation of the County is a savings in the cost of work previously performed by employees of the County, while the expectation of the Contractor is a realization of a profit through the ability to perform the Contract work in accordance with the terms and condition of the Contract at the Proposal price;
- The parties are not under any compulsion to Contract;
- The Contractor's acceptance of the assessment of liquidated damages against it

for unsatisfactory and late performance is by agreement and willingness to be bound as part of the consideration being offered to the County for the award of the Contract;

- Except where the County has incurred the cost of obtaining substitute performance or terminating the Contract, it would be difficult for the County to prove whether a failure to perform the Contract work for which a liquidated sum has been provided in Exhibit 4 will have resulted in a loss of its savings in the costs of the work to be performed; and
- The liquidated sums specified in Exhibit 4 represent a fair approximation of the damages incurred by the County resulting from the Contractor's failure to meet the performance standard as to each item for which an amount of liquidated damages is specified.

**LOS ANGELES COUNTY DEPARTMENT OF BEACHES AND HARBORS
CONTRACT FOR JANITORIAL SERVICE**

PART THREE – STANDARD CONTRACT TERMS AND CONDITIONS

3.1 LIMITATION OF COUNTY'S OBLIGATION IN CASE OF NONAPPROPRIATION OF FUNDS

3.1.1 The County's obligation is payable only and solely from funds appropriated for the purpose of this Contract. All funds for payment after June 30th of any fiscal year are subject to County's legislative appropriation for this purpose. Payments during subsequent fiscal periods are dependent upon the same action.

3.1.2 In the event this Contract extends into succeeding fiscal year periods, and if the governing body appropriating the funds does not allocate sufficient funds for the next succeeding fiscal year's payments, then the services shall be terminated as of June 30th of the last fiscal year for which funds were appropriated.

3.2 NONDISCRIMINATION IN EMPLOYMENT

3.2.1 The Contractor shall take affirmative action to ensure that qualified applicants are employed, and that employees are treated equally during employment, without regard to their race, color, religion, sex, ancestry, age, physical disability, marital status, political affiliation, or national origin. Such action shall include, by way of example without limitation: employment; upgrading; recruitment or recruitment advertising; demotion or transfer; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

3.2.2 The Contractor certifies and agrees that all persons employed by the Contractor, its affiliates, subsidiaries or holding companies, are and will be treated equally by the employer without regard to or because of race, color, religion, sex, ancestry, age, physical disability, marital status, political affiliation, or national origin, and in compliance with all antidiscrimination laws of the United States of America and the State of California.

3.2.3 The Contractor certifies and agrees that it will deal with its Subcontractors, bidders, or vendors without regard to their race, color, religion, sex, ancestry, age, physical disability, marital status, political affiliation, or national origin.

3.2.4 The Contractor shall allow the County access to its employment records during regular business hours to verify compliance with these provisions when requested by the County.

3.2.5 If the County finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which the County may determine to terminate the Contract. While the County reserves the right to determine independently that the antidiscrimination provisions of the Contract have been violated, a final determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated state or federal antidiscrimination laws shall constitute a finding on which the County may conclusively rely that the Contractor has violated the antidiscrimination provisions of the Contract.

3.2.6 The parties agree that in the event the Contractor violates the antidiscrimination provisions of the Contract, the County shall at its option be entitled to a sum of five hundred dollars (\$500) pursuant to Section 1671 of the California Civil Code as damages in lieu of terminating the Contract.

3.3 ASSURANCE OF COMPLIANCE WITH CIVIL RIGHTS LAWS. The Contractor hereby assures it will comply with all applicable federal and state statutes to the end that no person shall, on the grounds of race, religion, ancestry, color, sex, age, physical disability, marital status, political affiliation or national origin, be excluded from participation in, be denied the benefits of, nor be otherwise subjected to discrimination under the Contract or under any project, program, or activity supported by the Contract.

3.4 COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS

3.4.1 The Contractor agrees to comply with all applicable federal, state, County and city laws, rules, regulations, ordinances, or codes, and all provisions required by these laws to be included in the Contract are incorporated by reference.

3.4.2 The Contractor warrants that it fully complies with all statutes and regulations regarding the employment eligibility of foreign nationals; that all persons performing the Contract work are eligible for employment in the United States; that it has secured and retained all required documentation verifying employment eligibility of its personnel; and that it shall secure and retain verification of employment eligibility from any new personnel in accordance with the applicable provisions of law.

3.4.3 The Contractor agrees to comply with, and shall require its subcontractors to comply with, all applicable provisions of the Displaced Janitor Opportunity Act (California Labor Code Section 1060, et seq.) as now enacted or later amended.

3.4.4 The Contractor agrees to indemnify and hold the County harmless from any loss, damage or liability resulting from a violation on the part of the Contractor of such laws, rules, regulations or ordinances.

3.5 GOVERNING LAW. The Contract shall be construed in accordance with and governed by the laws of the State of California.

3.6 COVENANT AGAINST CONTINGENT FEES

3.6.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies under contract with the Contractor for the purpose of securing business.

3.6.2 The County shall have the right to terminate the Contract for a breach of this warranty, and, at its sole discretion, recover from the Contractor by way of such means as may be available the full amount of any commission, percentage, brokerage or contingent fee paid.

3.7 TERMINATION FOR IMPROPER CONSIDERATION

3.7.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment or extension of the Contract or the making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

3.7.2 Among other items, such improper consideration may take the form of cash, discounts, services, tangible gifts or the provision of travel or entertainment.

3.7.3 The Contractor shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

3.8 INDEMNIFICATION. The Contractor shall indemnify, defend and hold harmless the County and its Special Districts, elected and appointed officers, employees and agents ("County") from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from or connected with Contractor's operations or its services, which result from bodily injury, death, personal injury, or property damage (including damage to Contractor's property). Contractor shall not be obligated to indemnify for liability and expense ensuing from the active negligence of the County.

- (5) Identify any deductibles or self-insured retentions for County's approval. The County retains the right to require the Contractor to reduce or eliminate such deductibles or self-insured retentions as they apply to the County, or require the Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including, but not limited to, expenses or fees, or both, related to investigations, claims administrations and legal defense. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

3.9.3 Insurer Financial Rating. Insurance is to be provided by an insurance company acceptable to the County with an A.M. Best rating of not less than A:VII, unless otherwise approved by the County.

3.9.4 Failure to Maintain Coverage. Failure by the Contractor to maintain the required insurance or to provide evidence of insurance coverage acceptable to the County shall constitute a material breach of the Contract upon which the County may immediately terminate or suspend this Contract. The County, at its sole option, may obtain damages from the Contractor resulting from said breach. Alternatively, the County may purchase such required insurance coverage and, without further notice to the Contractor, the County may deduct from sums due to the Contractor any premium costs advanced by the County for such insurance.

3.9.5 Notification of Incidents, Claims or Suits. Contractor shall report to County:

- (1) Any accident or incident related to services performed under this Contract which involves injury or property damage which may result in the filing of a claim or lawsuit against Contractor and/or County. Such report shall be made in writing within 24 hours of occurrence;

3.9.6 Compensation for County Costs. In the event that Contractor fails to comply with any of the indemnification or insurance requirements of this Contract, and such failure to comply results in any costs to the County, Contractor shall pay full compensation for all costs incurred by the County.

3.9.7 Insurance Coverage Requirements for Subcontractors. Contractor shall ensure any and all Subcontractors performing services under this Contract meet insurance requirements of this Contract by either Contractor providing evidence to the CA of insurance covering the activities of Subcontractors, or Contractor providing

evidence to the CA submitted by Subcontractors evidencing that Subcontractors maintain the required insurance coverage. The County retains the right to obtain copies of evidence of Subcontractor insurance coverage at any time.

3.9.8 Insurance Coverage Requirements.

The Contractor shall maintain the insurance coverages specified in this Section 3.9.8 in the amounts specified.

3.11.2 If any such records are located outside the County of Los Angeles, the Contractor shall pay the County for travel and per diem costs connected with any inspection or audit.

3.12 AUDIT SETTLEMENT

3.12.1 If, at any time during the term of the Contract or at any time after the expiration or termination of the Contract, authorized representatives of the County conduct an audit of the Contractor regarding performance of the Contract and if such audit finds that the County's obligation for the Contract payment is less than the payments made by the County to the Contractor, then the Contractor agrees that the difference shall be either paid forthwith by the Contractor, or at the Director's option, credited to the County against any future Contract payments.

3.12.1.1 If such audit finds that the County's obligation for the Contract payment is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County, provided that in no event shall the County's maximum obligation under the Contract exceed the funds appropriated by the County for the purpose of the Contract.

3.13 VALIDITY. The invalidity in whole or in part of any provision of the Contract shall not void or affect the validity of any other provision.

3.14 WAIVER. No waiver of a breach of any provision of the Contract by either party shall constitute a waiver of any other breach of the provision. Failure of either party to enforce a provision of the Contract at any time, or from time to time, shall not be construed as a waiver of the provision or any other provision. The Contract remedies shall be cumulative and additional to any other remedies in law or in equity.

3.15 DISCLOSURE OF INFORMATION

3.15.1 The Contractor shall not disclose any details in connection with the Contract or any work performed under the Contract to any third party, except as may be required by law or as expressly authorized in writing by the Director.

3.15.2 However, recognizing the Contractor's need to identify its services and clients, the Contractor may publicize the Contract work, subject to the following limitations:

(1) All publicity shall be presented in a professional manner.

(2) The name of the County shall not be used in commercial advertisements, press releases, opinions or featured articles, without the prior written consent of the Director. The County shall not unreasonably withhold written consent, and approval by the County shall be deemed to have been given in the absence of objection by the County within two (2) weeks after receipt by the CA of the material submitted by the Contractor for approval by the County.

(3) The Contractor may list the County in any other proposal submitted in response to a request for proposals or bids from a third party without prior written permission of the County.

3.16 COUNTY'S REMEDIES FOR DEFAULT

3.16.1 If the Contractor fails to perform the Contract work in accordance with the covenants, terms and conditions of the Contract or fails to comply with any other material covenant, term or condition of the Contract, the County may, by written notice of default to the Contractor, terminate the whole or any part of the Contract. Nothing in this Section 3.16 shall prevent the County from recovering any and all damages arising from the default. The County may elect not to terminate the Contract without waiving its right to such recovery.

3.16.2 Contractor shall have ten (10) calendar days from written notification of default in which to cure the default. The County, in its sole discretion, may by written notice allow a longer or additional period for cure.

3.16.3 If the Contractor does not cure the default within the time specified by the notice of default or written extension of time, the Contract shall be terminated. In such event, all finished or unfinished documents, data and reports prepared by the Contractor under this Contract shall be transferred immediately to the County.

3.16.4 In the event the County terminates the Contract in whole or in part for the Contractor's default, the County may procure replacement services from a third party or by County's employees upon such terms and in such manner as the County deems appropriate. The Contractor shall be liable to the County for any excess costs arising from the use of replacement services. Excess costs shall consist of those costs incurred by the County in procuring replacement services, which exceed the costs the County would have been obligated to pay the Contractor for the services in question. The Contractor shall continue performance of any part of the Contract work not terminated.

3.16.5 Except with respect to defaults of Subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not restricted to, acts of the public enemy, acts of the County in either its sovereign or

contractual capacity, acts of the federal and state governments in their sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargos, and unusually severe weather. If the failure to perform is caused by the default of a Subcontractor arising from causes beyond the control of both Contractor and Subcontractor, and without the negligence of either of them, the Contractor shall not be liable for any excess costs for failure to perform unless the Contractor had sufficient time to obtain performance from another party.

3.16.6 If, after termination, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the Contract were terminated pursuant to Section 3.18 (Termination for Convenience of the County).

3.16.7 The rights and remedies of the County provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

3.17 DEFAULT FOR INSOLVENCY

3.17.1 Notwithstanding the provisions of Section 3.16, the County may cancel the Contract for default without giving the Contractor written notice of default and time to cure upon the occurrence of any of the following events:

(1) The Contractor becomes insolvent. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not, whether it has filed for federal bankruptcy protection and whether it is insolvent within the meaning of the federal bankruptcy law.

(2) The filing of a voluntary petition to have the Contractor declared bankrupt.

(3) The appointment of a receiver or trustee for the Contractor.

(4) The execution of the Contractor of an assignment of the Contract for the benefit of creditors.

3.17.2 The rights and remedies of the County provided in this section shall not be exclusive

and are in addition to any rights and remedies provided by law or under the Contract.

3.18 TERMINATION FOR CONVENIENCE OF THE COUNTY

3.18.1 The performance of the Contract work may be terminated in whole or in part from time to time when such action is deemed by the County to be in its best interest, subject to delivery to the Contractor of a ten (10) day advance notice of termination specifying the extent to which the Contract work is terminated, and the date upon which such termination becomes effective. After receipt of a notice of suspension of performance or termination, the Contractor shall stop the Contract work on the date and to the extent specified in the notice.

3.18.2 County may suspend performance or terminate the Contract without liability for damages if County is prevented from performing by reasons beyond its control, including but not limited to operation of laws, acts of God, and official acts of local, state, or federal authorities.

3.18.3 The County and Contractor shall negotiate an equitable amount to be paid the Contractor by reason of the total or partial termination of work pursuant to this section, which amount may include a reasonable allowance for profit on the Contract work that has been performed and has not been paid, provided that such amount shall not exceed the total obligation to pay for the Contract work performed as reduced by the amount of Contract payments otherwise made.

3.18.4 The Contractor shall make available to the County, for a period of four (4) years after Contract termination, at all reasonable times, at the office of the Contractor, all books, records, documents, or other evidence bearing on the costs and expenses of the Contractor in respect to the termination under this section of the Contract work. In the event records are located outside the County of Los Angeles, the Contractor will pay the County for traveling and per diem costs connected with the inspection or audit.

3.19 NOTICE OF DELAY. Except as otherwise provided, when either party knows of any fact that will prevent timely performance of the Contract, that party shall give notice,

including all relevant information, to the other party within five days.

3.20 NOTIFICATION. Except as otherwise provided by the Contract, notices desired or required to be given by law or under the Contract may, at the option of the party giving notice, be given by enclosing a written notice in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid in the United States mail. Any such notice shall be addressed to the Contractor at the address shown for the Contractor in the Proposal or such other place designated in writing by the Contractor. Notice to the County shall be addressed to the Director, Department of Beaches and Harbors, 13837 Fiji Way, Marina del Rey, California 90292, or such other place as the Director may designate in writing.

3.21 CONFLICT OF INTEREST

3.21.1 The Contractor represents and warrants the statements set forth in the conflict of interest certification of its Proposal are true and correct.

3.21.2 The Contractor further agrees that anyone who is an employee or former employee of the County at the time of execution of the Contract by the Board of Supervisors and who subsequently becomes affiliated with the Contractor in any capacity shall not perform the Contract work or share in the Contract's profits for a period of one (1) year from the date of termination of the employee's employment with the County.

3.21.3 The County shall have the right to terminate the Contract for a breach by the Contractor of either its warranty or promise on the absence of the prohibited conflicts of interest.

3.22 DELEGATION AND ASSIGNMENT

3.22.1 The Contractor may not delegate its duties or assign its rights under the Contract, either in whole or in part, without the written prior consent of the Director. Any delegation of duties or assignment of rights under the Contract without the expressed written consent of the County shall be null and void and shall constitute a breach for which the Contract may be terminated.

3.22.2 Any delegation of duties or assignment of rights (including but not limited to a merger, acquisition, asset sale and the like) shall be in the form of a subcontract or formal assignment, as applicable. The Contractor's request to the Director for approval of an assignment shall include all information that must be submitted with a request by the Contractor to the County for approval of a subcontract of the Contract work pursuant to Section 3.23.

3.23 SUBCONTRACTING

3.23.1 Performance of the Contract work may not be subcontracted without the express written consent of the Director or authorized representative. Any subcontract of the Contract work without the express written consent of the Director or authorized representative shall be null and void and shall constitute a breach for which the Contract may be terminated.

3.23.2 The Contractor's request to the Director for approval to enter into a subcontract of the Contract work shall include:

- (1) A description of the work to be performed by the Subcontractor;
- (2) Identification of the proposed Subcontractor and an explanation of why and how the proposed Subcontractor was selected, including the degree of competition in the selection process;
- (3) The proposed subcontract amount, together with the Contractor's cost or price analysis; and
- (4) A copy of the proposed subcontract.

3.23.3 In the event the Director or authorized representative should consent to a subcontract for the performance of the Contract work, the terms and conditions of the Contract shall be made expressly applicable to the work that is to be performed by the Subcontractor.

3.23.4 In the event the Director or authorized representative should consent to a subcontract, the Contractor shall provide in the approved subcontract an agreement that the work of the Subcontractor is pursuant to the terms of a prime contract with the County of Los Angeles, and that all representations and warranties shall inure to the benefit of the County of Los Angeles.

3.23.5 Subcontracts shall be made in the name of the Contractor and shall not bind nor purport to bind the County. The making of subcontracts shall not relieve the Contractor from performing the Contract work in accordance with the terms and conditions of the Contract. Approval of any subcontract by the County shall not be construed as effecting any increase in the compensation to be paid for the Contract work.

3.23.6 Any later modification or amendment of the subcontract shall be approved in writing by the Director or authorized representative before such modification or amendment is effective.

3.24 CHANGES AND AMENDMENTS

3.24.1 Except as provided in this Section 3.24, renewals and other modifications of this Contract shall be in writing and shall be executed by the parties and approved by the Board in the same manner as the Contract.

3.24.2 A change which does not materially effect the scope of work, period of performance, compensation, method of payment, insurance or other material term or condition of the Contract shall be effective upon the Director or his authorized representative and the Contractor signing an amendment or other writing reflecting a modification of the Contract.

3.24.3 The Director or authorized representative may, in his or her sole discretion, grant the Contractor extensions of time for performance of the work where such extensions do not materially effect the work. Such extensions shall not be deemed to extend the term of the Contract.

3.25 PROPRIETARY RIGHTS. All materials, data and other information of any kind obtained from County personnel and all materials, data, reports and other information of any kind developed by the Contractor under the Contract are the property of the County, and the Contractor agrees to take all necessary measures to protect the security and confidentiality of all such materials, data, reports and information. The provisions of this paragraph shall survive the expiration or other termination of the Contract.

3.26 TIME. Except as specifically otherwise provided in the Contract, time is of the essence

in the performance of the Contract work and all terms and conditions of the Contract with respect to such performance shall be construed.

3.27 AUTHORIZATION. The Contractor represents and warrants that its signatory to the Contract is fully authorized to obligate the Contractor for performance of the Contract work, and that all necessary acts to the execution of the Contract have been performed.

3.28 COMPLIANCE WITH COUNTY LOBBYING REQUIREMENTS

3.28.1 The Contractor and each County lobbyist or County lobbying firm, as defined in Los Angeles County Code Section 2.160.010, retained by the Contractor shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code Chapter 2.160.

3.28.2 Failure on the part of the Contractor or any County lobbyist or County lobbying firm retained by the Contractor to fully comply with the County Lobbyist Ordinance shall constitute a material breach of the Contract upon which the County may immediately terminate or suspend the Contract notwithstanding the opportunity to cure otherwise made available under Section 3.16.

3.29 CONSIDERATION OF HIRING COUNTY EMPLOYEES ON A REEMPLOYMENT LIST OR TARGETED FOR LAYOFFS

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or qualified former County employees who are on a reemployment list during the life of this agreement.

3.30 CONSIDERATION OF GREATER AVENUES FOR INDEPENDENCE (GAIN) OR GENERAL RELIEF OPPORTUNITIES FOR WORK (GROW) PARTICIPANTS FOR EMPLOYMENT

Should the Contractor require additional or replacement personnel after the effective date of the agreement, contractor shall give consideration for any such employment openings to participants in the County's

Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief Opportunities for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. County will refer GAIN/GROW participants, by job category, to Contractor.

3.31 COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

3.31.1 Contractor's Warranty of Adherence to County Child Support Compliance Program. Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (41 USC Section 653a) and California Unemployment Insurance Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

3.31.2 Termination for Breach of Warranty to Maintain Compliance with County Child Support Compliance Program. Failure of Contractor to maintain compliance with the requirements set forth in the preceding Section 3.31.1 "Contractor's Warranty of Adherence to County's Child Support Compliance Program" shall constitute a default by Contractor under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure to cure such default within 90 days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the County Board of Supervisors may terminate this Contract pursuant to Section 3.16 "County's Remedies for Default."

3.31.3 Voluntary Posting of "Delinquent Parents" Poster. Contractor acknowledges that County places a high priority on the enforcement of child support laws and apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County contractors to voluntarily post County's "L.A.'s Most Wanted: Delinquent Parents" poster in a prominent position at Contractor's place of business. County Child Support Services Department will supply Contractor with the poster to be used.

3.32 COMPLIANCE WITH LIVING WAGE PROGRAM

3.32.1 Living Wage Program. This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program ("Program") as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached hereto as Exhibit 11 and incorporated by reference into and made a part of the Contract.

3.32.2 Payment of Living Wage Rates.

3.32.2.1 Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that Contractor qualifies for an exception to the Program (Section 2.201.090 of the County Code), Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County under the Contract:

(a) Not less than \$9.46 per hour if, in addition to the per-hour wage, Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or

(b) Not less than \$8.32 per hour if, in addition to the per-hour wage, Contractor contributes at least \$1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. Contractor will be deemed to have contributed \$1.14 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during

the Contract, Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits, Contractor shall be required to pay its Employees the higher hourly living wage rate.

3.32.2.2 For purposes of this Section, "Contractor" includes any Subcontractor engaged by Contractor to perform services for the County under the Contract. If Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Program shall be attached to the agreement. "Employee" means any individual who is an employee of Contractor under the laws of California, and who is providing full-time services to Contractor, some or all of which are provided to the County under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full time.

3.32.2.3 If Contractor is required to pay a living wage when the Contract commences, Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.

3.32.2.4 If Contractor is not required to pay a living wage when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement, and Contractor shall immediately notify County if Contractor at any time either comes within the Program's definition of "Employer" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Program. Unless

Contractor satisfies this requirement within the time frame permitted by the County, Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

3.32.3 Contractor's Submittal of Certified Monitoring Reports. Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County, or any other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

3.32.4 Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims.

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's Contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

3.32.5 County Auditing of Contractor Records. Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at Contractor's place of business, any of Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. Contractor is required to maintain all such records in California until the expiration of four years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

3.32.6 Notifications to Employees. Contractor shall place County-provided living wage posters at each of Contractor's place of business and locations where Contractor's Employees are working. Contractor shall also distribute County-provided notices to each of its Employees at least once per year. Contractor shall translate into Spanish and any other language spoken by a significant number of Employees the posters and handouts.

3.32.7 Enforcement and Remedies. If Contractor fails to comply with the requirements of this Section, the County shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.

3.32.7.1 Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

(a) Withholding of Payment. If Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

(b) Liquidated Damages. It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due Contractor.

(c) Termination. Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

3.32.7.2 Remedies for Payment of Less Than the Required Living Wage. If Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

(a) Withholding Payment. If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given pay period and the amount actually paid to the Employees for that pay period. The County may withhold said amount until Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

(b) **Liquidated Damages.** It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due Contractor.

(c) **Termination.** Contractor's failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

3.32.8 Debarment. In the event Contractor breaches a requirement of this Section, the County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.

3.32.9 Use of Full-Time Employees. Contractor shall assign and use full-time employees of Contractor to provide services under the Contract unless Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. Contractor submitted with its proposal a full time employee staffing plan. If Contractor changes its full time employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to the County.

3.32.10 Contractor Retaliation Prohibited.

Contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any employee, person or entity who has reported a violation of the Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this paragraph may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

3.32.11 Contractor Standards. During the term of the Contract, Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, Contractor shall demonstrate to the satisfaction of the County that Contractor is complying with this requirement.

3.32.12 Neutrality in Labor Relations.

Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

3.33 CONTRACTOR RESPONSIBILITY AND DEBARMENT

3.33.1 A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Contractors.

3.33.2 The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding on County contracts for a specified period of time

not to exceed three years, and terminate any or all existing contracts the Contractor may have with the County.

3.33.3 The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of a contract with the County, (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness, or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

3.33.4 If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

3.33.5 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights of appeal.

3.33.6 A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

3.33.7 These terms shall also apply to Subcontractors of County Contractors.

3.34 NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME TAX CREDIT. Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the federal Earned Income Tax Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

3.35 CONTRACTOR TO USE RECYCLED PAPER. Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on all work performed under this Contract.

3.36 COMPLIANCE WITH JURY SERVICE PROGRAM

3.36.1 Jury Service Program. This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

3.36.2 Written Employee Jury Service Program.

3.36.2.1 Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service.

Performance goals which must be achieved – on schedule with Quality Assurance in mind –for the provision of custodial and related services at your facilities are:

Here we address the ability of our firm to ensure that all personnel assigned to provide services under the proposed contract meet or exceed standard for quality and appearance in the performance of their tasks. In order to do so, we have isolated the important steps that we take to accomplish this. First of all, we must know the contract requirements. One of the first tasks, upon notification of contract award to our company, is management indoctrination of the requirements of the contract. Key company personnel will be assigned to this project in support of the local, on-site, management and supervisory staff. These persons will be responsible to oversee and to manage this project. Therefore, at all levels of responsibility, detailed knowledge and understanding of the contract requirements must be established. At the company level, the Operations Manager, the Quality Control Manager, and the President are required to know and understand the contract requirements. The following attachments are our company concept for providing supervision and quality control to include special methods for monitoring performance and communication.

1. Start Up and Ongoing Management Plan.
2. Staffing Plan & Work Schedule.
3. General Work Statements and Floor, Carpet, Restroom Care Programs.

**Los Angeles County Code Chapter 2.201
LIVING WAGE PROGRAM**

2.201.010 Findings.

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay less than a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles. Ord. 99-0048 § 1 (part), 1999.

2.201.020 Definitions.

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

A. "County" includes the county of Los Angeles, any county officer or body, any county department head, and any county employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.

B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the county of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a county of Los Angeles owned or leased facility.

C. "Employer" means:

1. An individual or entity who has a contract with the county:

a. For services which is required to be more economical or feasible under Section 44.7 of the Charter of the county of Los Angeles, and is not listed as an excluded contract in Section 2.121.250 B of the Los Angeles County Code, referred to in this chapter as a "Proposition A contract," or

b. For cafeteria services, referred to in this chapter as a "cafeteria services contract," and

c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or

2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the county.

D. "Full time" means a minimum 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the chief administrative officer, but in no event less than 35 hours worked per week. Ord. 99-0048 § 1 (part), 1999.

2.201.030 Prospective effect.

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter.* It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable. Ord. 99-0048 § 1 (part), 1999.

*Editor's note: Ordinance 99-0048, which enacted Ch. 2.201, is effective on July 22, 1999.

2.201.040 Payment of living wage.

A. Employers shall pay employees a living wage for their services provided to the county of no less than the hourly rates set under this chapter. The rates shall be \$8.32 per hour with health benefits, or \$9.46 per hour without health benefits.

B. To qualify for the living wage rate with health benefits, an employer shall pay at least \$1.14 per hour towards the provision of bona fide health care benefits for each employee and any dependents during the term of a Proposition A contract or a cafeteria services contract. Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the county department of health services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.

C. The board of supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section, above for future contracts. Ord. 99-0048 § 1 (part), 1999.

2.201.050 Other provisions.

A. Full Time Employees. An employer shall assign and use full time employees to provide services under a Proposition A contract or a cafeteria services contract, unless the employer can demonstrate to the county the necessity to use non-full time employees based on staffing efficiency or the county requirements of an individual job.

B. Neutrality in Labor Relations. An employer shall not use any consideration received under a Proposition A contract or a cafeteria services contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of an employer's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

C. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter. The chief administrative officer in conjunction with the affirmative action compliance officer shall issue written instructions on the implementation and on-going administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.

D. Compliance Certification. An employer shall, during the term of a Proposition A contract, or a cafeteria services contract, report for each employee and certify the hours worked, wages paid, and amounts the employer paid for health benefits, and provide other information deemed relevant to the enforcement of this chapter by the county. Such reports shall be made at the times and in the manner set forth in instructions issued by the chief administrative officer in conjunction with the affirmative action compliance officer. The affirmative action compliance officer in conjunction with the chief administrative officer shall report annually to the board of supervisors on contractor compliance with the provisions of this chapter.

E. Contractor Standards. An employer shall demonstrate during the procurement process and for the duration of a Proposition A contract or a cafeteria services contract a history of business stability, integrity in employee relations, and the financial ability to pay a living wage. Ord. 99-0048 § 1 (part), 1999.

2.201.060 Employer retaliation prohibited.

No employer shall take an adverse action causing a loss of any benefit of employment, of any contract benefit, or any statutory benefit to any employee, person, or other entity, who has reported a violation of this chapter to the board of supervisors or to one or more of their offices, to the county chief administrative officer, or to the county auditor controller, or to the county department administering the Proposition A contract or cafeteria services contract. Ord. 99-0048 § 1 (part), 1999.

2.201.070 Employee retention rights.

In the event that any Proposition A contract or cafeteria service contract is terminated by the county prior to its expiration, any new contract with a subsequent employer for such services shall provide for the employment of the predecessor employer's employees as provided in this section.

A "retention employee" is an employee of a predecessor employer:

1. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act;
2. Who has been employed by an employer under a predecessor Proposition A contract or a predecessor cafeteria services contract for at least six months prior to the date of a new contract; and
3. Who is or will be terminated from his or her employment as a result of the county entering into a new contract.

B. Subsequent employers shall offer employment to all retention employees who are qualified for such jobs.

C. A subsequent employer is not required to hire a retention employee who:

1. Has been convicted of a crime related to the job or his or her job performance; or
2. Fails to meet any other county requirement for employees of a contractor.

D. A subsequent employer may not terminate a retention employee for the first 90 days of employment under a new contract, except for cause. Thereafter a subsequent employer may retain a retention employee on the same terms and conditions as the subsequent employer's other employees. Ord. 99-0048 § 1 (part), 1999.

2.201.080 Enforcement and remedies.

For violation of any of the provisions of this chapter:

A. An employee may bring an action in the courts of the state of California for damages caused by an employer's violation of this chapter.

B. The county department head responsible for administering a Proposition A contract or a cafeteria services contract may do one or more of the following in accordance with such instructions as may be issued by the chief administrative officer:

1. Assess liquidated damages as provided in the contract; and/or

Certainly we would prefer that women seek help while they are pregnant, not after giving birth, to receive proper medical care and counseling. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in a hospital emergency room.

**The California Safely
Surrendered Baby Law:**

Allows a distressed birth parent(s) to legally, confidentially, and safely surrender their baby

Provides a safe place for babies

Protects the parent(s) from arrest or prosecution for abandonment as long as the baby has not been abused or neglected

Does not require that names be given when the baby is surrendered

Permits parents to bring a baby within 3 days of birth to any hospital emergency room in California

**In California, no one ever
has to abandon a child again.**

to safely surrender
your baby**

It's a new law. Under this law, a person may surrender their baby confidentially. As long as the baby has not been abused or neglected, the person may do so without fear of arrest or prosecution.

A distressed parent who is unable or unwilling to care for an infant can legally, confidentially and safely surrender their baby within 3 days of birth. All that is required is that the baby be brought to a hospital emergency room in California. If there are additional places, they will be listed on the back of this brochure. As long as the child shows no signs of abuse or neglect, no name or other information is required. A bracelet will be placed on the baby for identification. A matching bracelet will be given to the parent. The bracelet will help connect the parent to the baby if the parent wants the baby back.

In most cases, a parent will bring in the baby. The law allows another person to bring in the baby if they have legal custody.

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week.

No. Nothing is required. However, hospital personnel will give the parent a medical information questionnaire that is designed to gather family medical history. This could be very useful in caring for the child but it is up to the parent to complete it.

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a foster or pre-adoptive home.

Once the parent(s) has safely turned over the baby, they are free to go.

The parent(s) may take the bracelet back to the hospital. Hospital personnel will provide information about the baby.

The purpose of the Safely Surrendered Baby Law is to protect babies from being hurt or killed because they were abandoned.

You may have heard tragic stories of babies left in dumpsters or public toilets. The persons who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants.

Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law.

This baby was the eighteenth child protected under California's Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed in a foster home for short-term care while the adoption process was started.
